RemarksOATH/DECLARATION

The Examiner indicates that the declaration is defective. In particular, the Examiner indicates that the declaration does not identify the city and foreign country of residence for each inventor. Applicants have provided with this paper an Application Data Sheet which details the city and foreign country of residence for each inventor. In view of the Application Data Sheet, the basis for the Examiner's objection to the declaration has been removed. Therefore, it is respectfully requested that the Examiner's objection to the declaration be withdrawn.
